

BIRDIE WATCHING

In golf, a birdie is a score of one stroke under par (the expected score) for any hole on the course.

By pledging one cent or more for every birdie made during the Valero Texas Open, or by making a straight donation of \$20 or more, you can help area charities. 100% of your donation will directly support the organization asking for your contribution. Birdies for Charity® is your opportunity to support local charities while keeping an eagle-eye on your budget.
